

Climatotherapy

[I. Fibrous]

"14 f 1" signified natural death,

"14 f 2" - suicide or accidental death,

"14 f 3" - shot while trying to escape,

"14 f 1" – execution.

"Special Treatment (*Sonderbehandlung*) 14 f 13",
the "euthanasia" of sick or infirm prisoners was instituted.

From inception, T4 sent medical personnel to the camps to select and list prisoners for liquidation.

T4 Aktion

Dysgenics

the study of racial degeneration

thremmatology

Devolution

Degeneration theory

Germplism Conservation

Nanocellulose

Multitopia

Multi / Mono

"Today's reality is the Science Fiction of the past."

"there is no future in your fronting....."

"embrace your social capital"

whereby exposure to one stimulus influences a response to a subsequent stimulus, without conscious guidance or intention.

the future racial qualities

Priming

the faculty and fatality of the worthy types

Eugenic Thought

the dysgenic effect of warfare

war and bleed

Future-silage

(Apocalypse)

maize in ancient Mexico,
rice in ancient China,
and wheat and barley in the ancient Near East.

pit for holding grain & thought

Silo mentality

Ecotypes and cultivars

The Population Bomb

The Violence of the Green Revolution

changes in the right direction,

but

it has not transformed the world

into a Utopia.

New plantation

Generic baby

Dominant - Recessive

Mental retardation was once treated as an inconvenient truth.

Initialized Individual

"Are there some functional similarities between sexual ornaments and moral virtues?"

"The most romantically attractive mental traits often have a moral dimension."

Moral Gradation

[II. Crystalline]

A wave of moral panic swept

(Today's amazing energy)

Self-harm - a ritual practice

(& the day i cast away)

it's also known as "Blue Whale Challenge

(Remember yesterday)

is a 21st-century social network phenomenon, beginning in 2016.

linked many unrelated child suicides to membership of group "F57"

(& how we all just feeling perfectly)

on the Russian-based VKontakte social network

(When it's night how's gone away)

People join narratives to explain their experiences....

(Follow me that door)

that is possibly why some children have said they participated in the rumoured challenge despite there being no proof of its existence

(Make me on a star)

Blue Whale

anecdotes

confabulation

demerit

paranoia

modification

1. neurotic – nail-biters, pickers, extreme hair removal and unnecessary cosmetic surgery.
2. religious – self-flagellants and others.
3. puberty rites – hymen removal, circumcision or clitoral alteration.
4. psychotic – eye or ear removal, genital self-mutilation and extreme amputation
5. organic brain diseases – which allow repetitive head-banging, hand-biting, finger-fracturing or eye removal.
6. conventional – nail-clipping, trimming of hair and shaving beards.

Hurting our bodies, ourselves prove that we are jewelry

Mohs hardness
